**2022 BUDGET  
SAN JUAN COUNTY, COLORADO**

**BUDGET MESSAGE**

The 2022 budget has been prepared in compliance with Colorado Revised Statutes and Local Government Budget Law. Consideration has been given to all departments, agencies, and governments requesting funds in anticipation of expenditures during the 2022 calendar year. The focus of this budget is to be able to provide quality service while operating within a limited budget.

The services to be delivered by San Juan County during the 2022 budget year are those services specifically enumerated in Colorado Revised Statutes and mandated by Colorado State Law. They include the maintenance of the County Courthouse and office space for the County Commissioners, Treasurer, Assessor, Clerk and Recorder, Sheriff, Social Services, Coroner and Health Department. Also included are the maintenance and repair of county roads and bridges, and the provision of emergency services.

The 2022 Budget reflects just over one million dollars in grant monies. Grant money is budgeted for the continued restoration of the Courthouse building. Public Health will receive more than five hundred thousand dollars in grant funding to support their programs. The majority of the funding is for COVID 19 related programs.

The County's fund balance remains adequate but have been reduced from previous years. The County must remain fiscally conservative to protect those fund balances and to provide for the future. The assessed valuation for the county has increased for 2022. We anticipate that the next reappraisal will show a substantial increase in property values. Revenues from the Secure Rural Schools Act as well as Payment in Lieu of Taxes are always dependent upon congressional authorization. When this funding is not reauthorized it creates a huge impact on the Road and Bridge Fund as well as on the School District. If Congress does not continue to reauthorize these funding sources the County will have to greatly reduce services on federal land. This would include the opening and maintenance of back country roads, law enforcement and search and rescue. The Highway Users Tax is estimated to remain the same. The tourist industry appears to be healthy and it is anticipated that Revenues for sales taxes and lodging taxes should continue to stay stable.

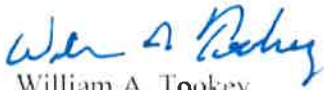

The General Fund Mill Levy, the Road and Bridge Mill Levy and the Social Services Fund Mill Levy will remain the same level as 2021.

Most offices and departments will see no increases in expenditures for 2021. It is estimated that most of the offices and departments will end the current year with their expenditures at their budgeted amount. The elected and appointed officials continue to hold the line on expenditures. As always, employees and elected officials should be encouraged to minimize their expenditures.

The budget reflects a 0% cost of living adjustments for employees.

The Audit of San Juan County's Budget is performed by Blair and Associates of Cedaredge, Colorado. Pursuant to the requirements of the Colorado Local Government Budget Law, 29-1-103(1)(a) through (f), 29-1-103(2)(d) and 29-1-103(3)(d) of the Colorado Revised Statutes, the budgetary basis of accounting used by San Juan County is the cash basis.

Respectfully submitted,

William A. Tookey  
County Budget Officer
